

AC SERVICE

EQUIPMENT

Central Air
Conditioning

\$199
+ TAX

AC PLAN INCLUDES:

- 🔥 One precision tune-up
- 🔥 15% off all repairs
- 🔥 24/7 emergency service
- 🔥 2-hour response window

During your AC systems 17 point tune-up, our technicians perform the following to ensure your AC equipment is properly maintained and running at peak efficiency:

- Check refrigerant, charge and measure operating pressures and temperatures
- Test compressor operating voltage and amperage
- Check all motors
- Check fan belts and adjust if needed
- Replace standard 1" air filters or wash electronic air cells
- Check condenser coil & clean if needed
- Check electrical connections and wiring
- Check crank case heater
- Check and flush condensate pump
- Test pressure cutout switches
- Check thermostat for proper operation
- Check compressor starting contactor
- Check blower wheel and bearings
- Check condenser electrical disconnect switch
- Check evaporator coil (if accessible)
- Check controls and safety switches

GENERAL CONDITIONS & TERMS

1. The equipment covered by this Plan is subject to our inspection and approval. At our option the inspection may be waived. Any repairs required to initially put equipment in acceptable condition will be charged separately.
2. If payment is beyond credit terms, Economy Fuel may terminate the Plan and bill customer for all materials and labor received as a result of this Plan.
3. Regular servicing hours are from 7:30 AM to 4:00 PM, Monday through Friday.
4. Emergency service is available 24 hours a day, 365 days a year.
5. Non-emergency calls after regular working hours will be charged at the prevailing rates.
6. Economy Fuel is not responsible for the discovery or removal of asbestos or other hazardous materials.
7. It is the homeowner's responsibility to contact Economy Fuel at the time they receive or renew their contract to set up the tune-up appointment. Economy Fuel will not credit or prorate any tune-up not conducted.
8. This Plan is for residential AC systems only.
9. Concealed or buried parts, pipes, and wiring are not covered.
10. This Plan does not cover parts or labor required as a result of acts of God, fire damage, flooding, damage due to frozen pipes or water, fuel run-outs, or power failure. Economy Fuel will not be liable due to negligence by the owner or owner's agent from not properly checking an occupied or unoccupied property.
11. There shall be no liability for any reason on the part of Economy Fuel for work done by another party, unless such party is authorized in writing by Economy Fuel to perform such work.
12. Economy Fuel reserves the right to modify this Plan as to price or other terms and conditions effective on the anniversary date. The length of this Plan is one year and will automatically be renewed at that time unless we are notified of cancellation in writing 30 days prior.
13. This Plan does not cover the repair or replacement of obsolete parts that are not available from regular supply sources.
14. Work performed on non covered parts will be billed at prevailing repair rates.
15. MAINTENANCE PLANS ARE NONREFUNDABLE.

PLEASE NOTE:

Maintenance Plans are for a one-year period and we will automatically bill each year in time to secure uninterrupted coverage. **IT IS THE CUSTOMER'S RESPONSIBILITY TO CALL OUR OFFICE AND MAKE AN APPOINTMENT TO RECEIVE THE TUNE-UP WITHIN THE PLAN PERIOD.**
